CJ Ramstad was a very big reason I was able to accomplish so many things in the snowmobile world. First as a racer, he helped lead a fund-raising drive to send me to Sweden to compete in the World Championships. Then as the ISOC grew to success even beyond my vision, a huge source of the industry drive was CJ's support and passion for our circuit.

We all have our own CJ stories. Please join me, the Ramstad Family, and the rest of the snowmobile community in what was initially meant to be a celebratory weekend of the ISOC snowmobile circuit into now something much more important for a man that was much larger than any circuit will ever be.

I look forward to seeing you in Garrison in helping me start an annual event to celebrate a man that has done so much for the sport we love.
